An Indigestion

Many people who are otherwise healthy suffer from indigestion, or dyspepsia. When you consider that the stomach and allied digestive organs are the most important organs of the body, it would seem that a disorder there is to be taken very see-

order there is to be taken very seriously.

Dyspeptics cannot eat the things they like; food sours in the stomach; then chreate constipation begins, or, as is often the case, you have been constipated all along, and the stocis are forced and irregular.

But there is no use letting indigestion go until it becomes chronic and undermines your health. It is good advice to suggest to you that you go to your druggist, and get a bottle of Dr. Caldwell's Syrup Pepsia, the wonderful cure for stomach, liver and bowel troubles. That is what C. Fowler, of Carson City, Mich., did and he is well today. Others who did the same and are cured are Ida A. Fortune, of Grand Junction, Tenn., B. F. Thompson, of Shenandoah, is., who actually considers that it sawed his life. You can obtain a 50-cent or \$1 bottle of the druggist, and, taken according to directions, it will probably be all you need. It is a liquid, acts gently, never gripes, and besides the laxative effect, contains exceptional tonic properties which tone the stomach, and that is what is especially needed in indigestion.

All sufferers from indigestion who have mever used Dr. Caldwell's Syrup Pepsin can obtain a free test bottle by writing the doctor. It will be sent direct to your home without any charge. In this way thousands have proven to their own satisfaction Dr. Caldwell's Syrup Pepsin is the very remedy they needed to cure indigestion. When once you use this grand remedy you will throw violent cathartics, tablets, salts, etc., away.

If there is anything about your allment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ili.
